COIN LAUNDRY SOLUTIONS

DOMUS is offering complete solutions for the coin sector since the beginning.

A wide range of machinery to suit any coin business, and now going one step further with services and new business proposals.

Domus Heavy Professional 8 and 10 kg washers and dryers are ideal for the small coin businesses such as hairdresser's, camping sites, gyms, nurseries, hotels, etc.

We propose this nice corner with **Clean+us**, a fresh design and a ready to use pack.

APPLICATIONS

Clean&Go

By Domus

CLEAN & GO by Domus is a laundry with a daring, modern and functional design to create and decorate your own coin laundry.

Signage

The most varied messages to be adapted to your space: opening times, front shop, instructions, wifi corner, prices, etc.

Central pay

A machine not only to pay, but to assign machines, lockers, get promotions in a pre-pay card, etc.

Pre-pay card

Lockers

The ideal complement in a laundry shop is the locker. It offers the most flexibility for the user and for the person processing the laundry in the shop. There are 3 models available: LOCK 7, 11 or 14. Check prices on page 53.

Total flexibility

The user can choose the time of the day that most suits him to deliver and collect the linen. They only need to register in the central pay, and they will get the notifications by e-mail, when the linen is ready.

Machines solutions

Specific machine for the washing of animal laundry

DROP&GO service

A complement section to the self-service shop for those people who have no time to wash and iron: they can leave their clothes in a locker and the laundry staff will wash and iron the load of garments for them in a professional way
